Cornell Campus Club Records

Instructions for the use of Campus Club records (#11/8/390) in the Division of Rare and Manuscript Collections (RMC)

While materials generally should not be taken out of the collection, if it is necessary to borrow items, they should be returned as soon as possible. Photocopies also can be requested. Please consult with the Campus Club Archive Committee and the University Archivist.

Please replace each item with an 8 ½ x 11 sheet of paper on which you have indicated the following: your name, your phone number, date, material removed, and the purpose for which you are using it. When the material is returned, the sheet will be discarded.

You will also need to complete an RMC loan form for any materials taken out of the collection.

Information about Campus Club records

The material is filed by decade. The decade may be broken down into five-year or one-year intervals.

Constitution, Bylaws and Executive Board Minutes are in their own separate folders according to date.

The folders are labeled according to decade in the upper left-hand corner. If the material is broken down further into categories that is written on the upper right hand corner of the folder.

General Activity Group material is included in the proper folder chronologically. However, if there is a great deal of material that is included in a separate activity group section.
