UNIVERSITY OF THE PHILIPPINES RECORDS IN THE DIVISION OF RARE AND
MANUSCRIPT COLLECTIONS - CORNELL UNIVERSITY LIBRARY

- #21/24/248 Maurice Chester Bond papers.
Reports of the Los Banos Project in the Philippines in 1963.
- #21/2/760 University of the Philippines-Cornell University Graduate Education Program reports.
Reports and other records of the program. (Note: Not found in the storage).
- #21/2/914 Cornell-Los Banos contract records.
Includes administrative correspondence of Cedric Guise, Cornell Campus Coordinator, New York State College of Agriculture Dean William I. Myers, and Cornell Controller Arthur H. Peterson with the visiting professors and project leaders at Los Banos, notably Marlin G. Cline, Halsey B. Knapp, Harry H. Love, Montgomery Robinson, George Timberger, and Kenneth L. Turk; the ICA, and others pertaining to staff appointments, travel and transportation costs for the visiting professors and for University of the Philippines College of Agriculture faculty members who pursued graduate work in the United States; also some letters from visiting professors describing their life and work at Los Banos. Also. copies of the contracts; equipment orders and other requisitions; and annual and final reports on specific areas of work and on the contracts as a whole.
- #21/2/1700 Cornell University. International Agriculture records.
Includes terminal reports, research papers, proposals, maps, general correspondence, progress reports, photographs and other records of the University of the Philippines-Cornell Graduate Education Program which Cornell later developed into full International Agriculture. Records relate to agricultural planning and research, plant breeding, plant pathology, soil science, animal husbandry, agricultural economics, various agricultural education and exchange programs, and related topics.
- #53/5/1757 Cornell Rockefeller Foundation-University of the Philippines Development Project records.
Contains the records of Project Director Frank H. Golay, including budget files; correspondence with the Rockefeller Foundation; records of faculty and student appointees; accounting statements; and records of the Los Banos program.

#21/13/2824 Cline, Marlin George, 1909- A Philippine diary for November 1954 through August 1956 in two volumes, by Marlin Cline and Agnes G. Cline, 1954-1956.

Published version of the transcribed diary of the professional and personal experiences of Professor Marlin G. Cline, Project Leader of the Cornell Project at the University of the Philippines College of Agriculture, and Mrs. Marlin G. Cline and their family from October 30, 1954 through June 26, 1956. The period represented the first of three contracts between Cornell University and the U.S. Foreign Operations Administration (later AID) providing technical assistance for the rehabilitation of the College and its faculty after the Japanese Occupation during World War II.
