Box 20, Folder 6, "China 1949-1950"

letter, 23 November 1949 to Reed from Mrs. Frank Garback of
Sinclairville, New York

Mrs. Garback writes to inform Congressman Reed that she
is "deeply opposed" to recognition of the Communist
Government of the Peoples' Republic of China

letter (copy), 27 June 1950 from Reed to Rev. Timothy
Stockmeyer, C.P.

Reed is deeply opposed to recognizing the PRC also.
Further, he has "little faith" in the U.N., as it is
the creature of Alger Hiss, a traitor to the U.S.,
Reed says

letter, 21 June 1950 from Rev. Stockmeyer to Reed, asking
Reed to prevent recognition of the PRC

open letter from Ruth Campbell Bigelow, entitled "An
American Woman Speaks Out." She says that Stalin wants the
Americans to refrain from using the veto power on the
motion to seat China in the U.N. She claims to refrain
would be treasonous.

Letter, 7 January 1950, from Frederick C. McKee, Chairman
Pro-Tem of the Committee to Defend America by Aiding Anti-
Communist China, to Reed. McKee encloses a copyright
letter sent to the Secretary of State. (Dean Acheson) He
asks Acheson to define clearly the China policies of the
State Department

letter (copy), 6 December 1949, from Reed to Miss Anna S.
Glase of Jamestown, New York. Reed is against communism,
which the "New Deal coddled."

letter, 5 December 1949 from Anna S. Glase to Reed.
"I want you to vote against recognition of 'Red China,'
not to extend aid to Tito, but vote to recognize Spain
who stopped Red Russia from marching to our United
States of America."

letter (copy), 23 November 1949 from Reed to Miss Pauline
Blank, of Cuba, New York (same as letter to Glase)

letter, 21 November 1949 from Pauline Blank to Reed
"There is such a thing as honor among nations" - we
shouldn't give "support to a regime that knows no
mercy"

Box 15, Folder 6 (cont.)

letter, 7 November 194_ from Harold E. Bickford to Reed
opposing recognition of the "new Communistic regime
[which] is diametrically opposed to all that democracy
stands for"

letter, 21 November 1949 from Mrs. K. W. McNaughton of
Angelica, New York, to Reed, opposing recognition

letter, 23 November 1949 from the ladies of the Altar and
Rosary Society of St. John's Chapel in Cassadaga, New York
to Reed, opposing recognition

letter, 25 November 1949, from Gladys Green of Bigelow's in
Jamestown, New York to Reed, opposing recognition of China
and other "strictly Hitler type dictatorships"

letter, 25 November 1949, from Francis Bauer of Bigelow's,
to Reed - same as above

letter, 21 November 1949, from Mrs. Frank Hyam of Dunkirk,
New York, to Reed, opposing recognition

letter (copy), 21 November 1949 from Reed to Mrs. May W.
Mulholland of Dunkirk, same as letter to Miss Glase

telegram, from Mrs. Mary Mulholland of Dunkirk, to Reed,
"Two hundred thirty-six Catholic daughters of. . . Dunkirk"
ask that he oppose recognition

The rest of the folder is basically the same - letters from
concerned citizens in late 1949, early 1950, and
standardized replies from Reed. One letter, from
Marguerite Childs of Cuba, New York, proposed that "the
only honest way to present the question" was to wait for
the open debate on the floor of the U.N. She received the
same form reply as the others.

Box 23, Folders 11-13, "Hong Fort Chew Case"

Hong Fort Chew was an immigrant who was to be deported. He had served briefly in the Army during World War II but was discharged (honorably) due to language difficulties. He could not prove that his father, a local laundryman in Dunkirk, was, in fact, his father, because of the Chinese custom of not keeping birth records.

various petitions that the yang man be allowed to stay labelled "Clergy," "Doctors," and so forth are included. There is, however, no indication of the outcome of the affair.

4. November 10, 1953 (marked "personal") - Letter from Eisenhower to Reed (both in Washington, D.C.), setting forth two considerations entering into his decision to decline the Tariff Commission's recommendation for a higher duty on brier pipes.
