Palm Beach Post Collection from the Voting Technology Archive

The Voting Technology Archive contains a collection of Palm Beach Post news articles, photographs, charts, graphs, illustrations, and other items pertinent to the 2000 George Bush vs. Al Gore Presidential Election. The majority of the items are from the day after the election, November 8, 2000, until a week and a half after the U.S. Supreme Court ended Florida recounts on December 9, 2000. Clippings from select Palm Beach Posts on relevant voting technology issues have been included up to November 26, 2002.
