The Xi Chapter closed a very successful year in June and as usual has been well represented on the campus in all the activities of college life. We sent out an annual report in May to all our members telling them about the life and success of the Chapter during the year. Following a custom which has been inaugurated by the editors of the "Record" whereby the annual reports of the Chapters to their members will be published from time to time for the information of all the members of the Fraternity, no further reference to our affairs will be made at this time in this column. Our annual Chapter letter will be found in full elsewhere in the "Record."

Our outlook for next year is very promising.

The following members, with their future addresses, as far as known, graduated in June:

L. Bartlett Shapleigh, 700 East Avenue, Lockport, N. Y.

Pi Chapter has completed another successful year. No men were lost in the first term thru scholastic difficulties, and we are hoping for the best results this June, but that is still a matter of conjecture. Most of our activities were given in the last Record, but since then we have been exceedingly fortunate in next year's elections. Brother Howland is Editor-in-Chief, and Brother Moore is Circulation Manager of the Cornell Daily Sun. Brother Pope is Circulation Manager of the Widow. Brother Kuntz is Advertising Manager, and Brother Daley is on the Senior Board of the Graphic. Brother Ferris has been elected to Tau Beta Pi and will be Manager of Freshman Baseball next year.

Brothers Ferris, Kuntz, Howland, Pope, and Moore were elected to Quill and Dagger, Senior Honorary Society a number equalled by only two other houses. With such a start in next year's activities, we have a most optimistic outlook for the future.

Brothers Moore and Kiene were forced to leave in the middle of the term on account of illness, but we are expecting both back next year.

We have two pledges, J. R. Marshall of Oneonta, N. Y. who will be a Junior, and Arthur C. Howland, Jr. of Philadelphia, entering as a Freshman, whose father, Prof. Arthur C. Howland '91, and brother, Charles B. Howland '26 are Pi men.

If all our active members return next fall, we will start with twenty-seven brothers. This, coupled with the activity of our alumni in sending us recommendations, should insure our getting a splendid Freshman class next Fall.

Pi Chapter was weak in athletic activities this year. Several tried for positions on various teams but Brother Bullen was the only member who succeeded in gaining a Varsity "C" in Track.
